WAR GROWING ABOUT WILLITS

Food Stores Fighting Auto Parks Benefits Thereby

(Special Correspondence of The Press)

WILLITS, May 18.—The price war is still on. One of our merchants not long ago gave away a bottle of milk with his addition to this he threatened every customer who made a purchase of 25 cents or more a 10c loaf of bread. Another firm is now giving away a bottle of milk with every 25 cent purchase. Gas is now selling at 15 cents a gallon at all of the stations.

On To Grand Lodge.

P. L. Hall and P. H. Butler went to San Francisco where they represented Little Lake Lodge at the I. O. O. F. grand lodge which met in that city last week. Al Berry also represented Cahto Lodge, Laytonville. The Rebekah Assembly met in the same city on the same date and Laguna Lodge was represented by Sarah Sawyers.

New School Principal.

Prof. C. D. Fry has been elected principal of the Willits union high school and will assume his new duties at the beginning of the next term. Mr. Fry has had charge of the high school at Hilmar and comes highly recommended. He is a man of outstanding character and has had a wide and varied experience and will maintain the standard of the local school in the same able and efficient manner as his predecessor, Edward Blackman.

To Operate Bakery.

E. A. Otis has moved his place of business to the corner store in the Harms block. Mr. Otis has had a 300-loaf capacity brick oven installed in the rear of the store and is now in San Francisco selecting an up-to-date baking equipment.

Extends City Sewer.

The town has had 400 feet of sewer pipe laid on Monroe street. The new pipe line starts a short distance east of Main street and connects with the sewer on Central avenue.

To Surrender Lease.

Al Larson has given up his lease of the Majestic Theatre and the owner of the property, Mrs. Edith Berg, has taken possession and will conduct the business. Mrs. Berg, who lives at Klamath Falls, Oregon, arrived here a few days ago and will endeavor to interest outside parties in a sale or lease.

To Edit Paper.

C. A. "Tad" Irvine has been appointed editor of Western Cattle Markets and News, which is published in San Francisco. Tad was born and raised in Mendocino county and is a son of the late Alonzo Irvine. Tad received his first newspaper experience on The Willits News some years ago since which time he has worked on papers up and down the coast from Los Angeles to Seattle. He is not only a talented writer but has also had considerable experience as an advertising man. It may be news to some of his friends to learn he was married to a charming Seattle young woman last summer.

Fished Wrong Place.

Hugo Quarteroni was arrested last week by Deputy R. N. Williams for fishing in a closed stream—the North Fork of the Noyo. He was taken before Judge W. F. Whitney and fined $25.

Bought A Home.

C. J. Elliott has purchased what is generally known as the "Selfridge" house on Redwood avenue from the parties who now own all of the holdings of the defunct Northwestern Redwood Company. At one time this was considered the finest home in Willits. "Bill" Whitney made the sale.

New Physician Arrives.

Dr. Robert Smalley has arrived here from Beiver, California, where he has been railroad physician for the Great Northern Railroad. Dr. Smalley has taken a suite of offices in the Mercantile Building, adjoining those of Dr. R. A. Babcock and, while there is no partnership, it is understood they have a working agrement and the new doctor may assume considerable of the care of patients at the Howard Memorial Hospital.

Hospital Notes.

For the first time in several months there was one vacant bed at the Howard Memorial Hospital last week. Up to now there has been a waiting list and patients were released as soon as possible. The following are the new cases:

Irvin Rogers underwent an appendicitis operation last Wednesday and is now on the road to recovery.

The infant son of Mr. and Mrs. H. H. Abarr fell out of a hammock a few days ago and broke his left forearm.

A son was born at the hospital May 9 to Mr. and Mrs. D. Stroek, of Nashmead.

Baby Operated On.

The two-months-old son of Byron Potter underwent a stomach operation a few days ago. The baby was slowly starving to death and a lesion had to be made at the outlet of the stomach. This is the second youngest baby operated on at the hospital.

Hugh Wilson was brought down from Laytonville last week suffering a severe attack of bronchial pneumonia.

Little God Busy.

Three weddings of local people took place during the past week.

Sunday night Sam Ciegler, one of the outstanding characters of Mendocino county, was married to Anna Ma. Black in San Francisco. They will make their residence in one of the most aristocratic section sof Berkeley at the home of the bride. It is the culmination of a long-drawn-out romance that started in New York City nearly 40 years ago and sounds more like a fairy tale than a story of real life.

Traffic Officer Richard White and Ada Robinson were married at Oakland Monday night and are passing their honeymoon in the bay region. The bride was born and raised in Mendocino county and has a large circle of friends both here and in Ukiah who wish her all kinds of good luck. The groom was appointed traffic officer a few months ago and is too well known to need any introduction on our part.

Chief Jake Thom and Pearl Haas were married in Santa Rosa Tuesday night, and they too are honeymooning in San Francisco.

A FINE STATION

Charles Swanfelt, local contractor and builder, was in Ukiah Monday. Mr. Swanfelt has been at Willits for some time where he has a contract to build the Texaco Oil Service Station which will be completed this week. The station, which is constructed of brick and stucco, is said to be one of the finest along the Redwood Highway. The contract for Mr. Swanfelt, exclusive of equipment, was for $5,000.

Poor Crop Estimate Is Not Encouraging

The pea crop this year is estimated at 10 to 15 per cent below that of last year, according to Frank E. Swett, president of the California Pea Growers Association, speaking before a pea growers conference at Sacramento last week. Mr. Swett said growers to strive for merchandising conditions, only the best will be accepted. One exporter, he said, will accept no fruit under two and three-eighths inches in diameter.

PEA CROP LARGE

Along with this 75 carloads of peas only is now standing

Manager E. J. Shrode, of the San Diego Fruit & Produce Company on the Mendocino coast, says the company's pea shortage on the north coast is suffering. Mr. Shrode said 210 acres had been planted, 40 of which do not amount to much, most of this acreage having been too wet for early planting. One hundred acres show an average crop, while the remaining 50 acres alone would justify the expense the company has been put to, had the balance of the crop been a complete failure. It is now estimated 75 carloads of peas will be shipped from the entire planting.

DIED AT GUERNEVILLE

Mrs. Lydia Pool, former resident of Point Arena, passed away at Guerneville Thursday. Mrs. Pool, who crossed the plains in a covered wagon in 1851 was 97 years old. She is survived by a daughter and three sons. Mrs. Pool resided in the Russian river section 62 years.

Dr. and Mrs. Robherd Thomas, of Ukiah, are weekend visitors at the G. F. Johnson home in Poor Man's Valley.

BANKERS INVITED

Ukiah bankers last week received personal invitations to attend the fortieth anniversary convention of the California Bankers Association to be held May 21, 22 and 23 in Los Angeles, where the association was founded in 1891. The invitations, attractively printed, were sent by the Los Angeles Clearing House Association, hosts to the convention.

Mr. and Mrs. F. G. Howell, who reside in Sonoma county, were here last week for a short visit at the home of their son, Myron Howell. Both are former local residents and very popular with a wide circle of friends here.

WON HIS CASE

Test Law Action Of A "Guest's" Rights Decided Here Recently

A verdict for the defendant, Henry J. Witter, was returned by a jury in superior court after two hours' deliberation last week. The case was a virtual test of the "guest" law. Mrs. Otto M. Hansen filed suit against Mr. Witter charging an accident in which she was injured last September resulted from negligence on the part of Mr. Witter, and demanding $20,000 damages. Mr. Witter declared the accident was unavoidable and his car was forced off the road. He was defended by Irving M. Brazier, of the firm of Mannon & Brazier.

IN congratulating the winners in the great Camel contest we want at the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

We wish also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack as is evidenced by the notable increase in the sale of Camel cigarettes.

By means of this dust-proof, germ-proof, moisture-proof Cellophane wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack all we ask is that you switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.

VANDALISM AT PORTER'S SHOW

Rocks Are Hurled Into Tent And Several In Audience Hurt

An unwarranted attack on patrons of Porter's Tent Show took place Thursday evening when large rocks, hurled with the skill and accuracy of older boys or men, tore holes in the canvas covering and struck several members of the audience. In one instance a lady suffered a lacerated lip, a small boy had to be carried out and one lady fainted.

Vandalism Unexplained.

No cause can be assigned for the act. The show has been coming here a number of years and is a favorite with the public. The performance is of a superior order and clean throughout and nothing but rowdyism of a low nature could have impelled the attack.

Boys Were Seen.

A woman residing in the vicinity is said to have observed several grown-up boys in her back garden and to have heard them discussing the advisability of that particular spot, suggesting in low tones there was no getaway there.

Officers Get Tip.

Information which will lead to arrest of the offenders is in possession of the officers.

Willits Man "Fired" —People Wanted Him

(Special Correspondence of The Press)

WILLITS, May 19.—At a meeting of the Willits union high school trustees Friday a petition signed by 100 leading citizens and business men of Willits was presented, asking that J. L. Harlan, agricultural and manual training teacher, be retained on the teaching staff for another year on account of good work done with the students the past year. The petition was read to the board and taken under advisement a short time. The board then went into a closed session, refusing to allow admission. After one hour the board voted 3 to 2 to not hire Mr. Harlan. Considerable dissention is felt over the matter throughout the district and from observers close to the situation the matter is not fully settled and action may be taken to compel the Board to place Mr. Harlan on the teaching staff. Rumors of a recall election are heard in Willits and about the district.

Swanfelt Hatchery's Output A Large One

It is not generally known the Swanfelt chick hatchery in this city is one of the few large hatcheries in northern California to be operated to full capacity this season. It will be of exceptional interest to know the Swanfelt hatcheries have filled an order at Windsor for 12,000 White Leghorn baby chicks this season which has been an unsually favorable one for the hatching of chicks. The first hatch was made early in January and the last hatch will be made in a few days, according to Charles Swanfelt, who stated his chicks had a 200-eggs-a-year average and were particularly free of disease. White Leghorns are featured but the large varieties are also hatched extensively.

Mrs. Mollie Kinsey was a recent visitor at the home of Mrs. Ella Smith.

WANT ELKS TO PICNIC HERE

Movement Is On To Get Cloverdale Affair Switched

An effort is being made this year to stage the annual Elks' picnic in this city during the Rodeo. For several years the outing has been held at Cloverdale which was considered a half-way place for Santa Rosa and Healdsburg on the south and Fort Bragg, Willits and Ukiah on the north.

To Consider Change.

A special committee of Elks has been appointed to consider the matter. Last year the picnic date fell on the last day of the Ukiah Rodeo, which greatly handicapped both events, many from here who would otherwise have attended remaining here and Sonoma county folk remaining at Cloverdale for the picnic.
